SEASON 18.4 - WOMEN'S

Welcome to the new.

SEASON 18-4 - WOMEN'S

Collections pg. 5 / **Special Project** pg. 21 / **Holiday Essentials** pg. 31 / **Delivery Overview** pg. 33

It's that time of year when a little extroversion is in order.

We've infused our most sought-after silhouettes with a touch of festive opulence. Dive into the season with brushed rose gold accents and tonal cheetah print dials that unleash the night cat within, frosty palettes and Saffiano leather bands that are cool without ever being cold, or bold metallic accents for those who are always the first to arrive and the last to leave.

However you choose to do it, it's time to shine.
