

SYCUAN CASINO

Sycuan Casino is one of San Diego's premier casino destinations, offering something for everybody. The nonstop action encompasses over 2,000 diverse slot machines with limits for all budgets and a variety of classic table games like poker, blackjack, craps, and roulette. The expanded nonsmoking wing, the largest of its kind in San Diego, features an advanced air filtration system, 40 table games, and 750 slot machines. The fun continues beyond the unlimited gaming with world-class entertainment featuring everyone from popular comedians to Grammy-winning rock bands. In March 2017, Sycuan broke ground on a \$226 million expansion that includes a new hotel, spa, pool, meeting spaces, restaurants, and casino floor space.

What's to Come:

Stay: A dramatic 12-story hotel with 300 guest rooms, 50 suites, and a full-service spa, exercise room, and sauna.

Gaming: Additional casino floor space that will accommodate 3,000 machines and 80 table games.

Relax: Two separate pools—one for families and one for adults with cabanas, a bar and grill, and a lazy river winding through the entire pool area.

Network: Conference rooms with a concert seating capacity of 1,200 and a banquet seating capacity of 700 for weddings and events, along with smaller breakout meeting rooms.
